Inspire Acts of Love

Inflation has caused financial hardship for the majority of our clients. The need and cost for personal care items increased during the pandemic. Many expressed they struggle to even wash their clothes regularly. Throughout 2020-2021 we were able to distribute a total of **\$35,000** worth of hygiene products. Each family in need receives an average of **82 items**, including clothing, free of charge to help rebuild their lives.
